13. Fasten off and leave a long tail for sewing.

To shape the head, sew the bottom edge of the head to the top edge, leaving a small opening for the ears. Stuff the head with polyester fiberfill and sew the opening closed.

To make the ears, chain 6 with the accent color yarn and slip stitch into the first chain to form a ring. Chain 2 and single crochet 11 times into the ring. Slip stitch to join. Fasten off and leave a long tail for sewing.
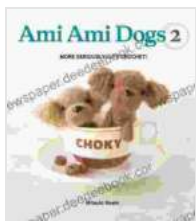

To attach the ears, sew the base of the ears to the top of the head. Fold the tips of the ears over and sew them down to create a floppy look.

To make the eyes, embroider two small circles onto the face with black embroidery floss.

To make the nose, embroider a small triangle onto the face with brown embroidery floss.

To make the mouth, embroider a small curved line onto the face with black embroidery floss.

Congratulations! You have now crocheted an Ami Ami Dog. Enjoy your new furry friend!
