But what if Cinderella's story was set in the modern world? What if her prince charming was not a handsome young man, but a retired colonel?

That's the premise of *Cinderella and the Colonel*, a new novel by Jane Doe. The story follows Cinderella, a young woman who works as a maid in her stepmother's house. She is mistreated by her stepmother and stepsisters, but she dreams of a better life. One day, she meets Colonel Harry Smith, a retired army officer who is visiting her stepmother's house.

The colonel is kind and gentle, and he sees something special in Cinderella. He invites her to a ball, and she agrees to go.

At the ball, Cinderella meets Prince Charming, and they fall in love. But Cinderella's happiness is short-lived. Her stepmother and stepsisters find out about her relationship with the prince, and they do everything they can to stop her from marrying him.

But Cinderella has a secret weapon: the colonel. The colonel is a powerful man, and he is determined to help Cinderella find happiness. He confronts her stepmother and stepsisters, and he threatens to expose their evil

deeds. The stepmother and stepsisters are forced to back down, and Cinderella is finally able to marry the prince.
