Horse Follow Closely is not a method of training horses, but rather a way of life. It is a way of understanding the horse and its place in the world. Horse Follow Closely practitioners believe that horses are intelligent and sensitive creatures that deserve to be treated with respect and compassion.

Horse Follow Closely horsemanship is based on the following principles:

- **Respect for the horse.** Horse Follow Closely practitioners believe that horses are intelligent and sensitive creatures that deserve to be treated with respect and compassion.
- **Understanding the horse's nature.** Horse Follow Closely practitioners take the time to learn about the horse's natural instincts and behaviors. They believe that by understanding the horse's nature, they can better communicate with it and build a strong bond.
- **Building a strong bond between horse and rider.** Horse Follow Closely practitioners believe that the bond between horse and rider is essential for successful horsemanship. They take the time to develop a relationship with their horses based on trust and mutual respect.

Horse Follow Closely horsemanship can be used for a variety of purposes, including:

- **Trail riding.** Horse Follow Closely is a great way to explore the wilderness on horseback. Horse Follow Closely horses are trained to follow their riders closely, making them easy to control on trails.

- **Hunting.** Horse Follow Closely horses are also great for hunting. They are quiet and stealthy, making them ideal for stalking game.
- **Warfare.** Horse Follow Closely horses were once used by Native American tribes for warfare. They were fast and agile, making them ideal for hit-and-run raids.

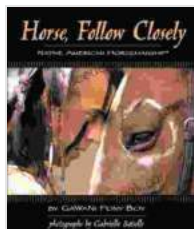

Horse Follow Closely horsemanship is a unique and effective way to train and ride horses. It is based on a deep understanding of the horse's nature and a strong bond between horse and rider. Horse Follow Closely horsemanship can be used for a variety of purposes, including trail riding, hunting, and warfare.
